

First Traffic Fatalities Of The Year Recorded At Hondo Sunday Night

Hospital Committee Expresses Support For Building Project

Representatives from Castroville, Rio Medina, Devine, Natalia, D'Hanis, Yancey and Hondo met Wednesday night as a County Hospital Committee. The majority of the 18 persons present expressed their support for the building of a county hospital, but most said they would have to do more discussing in their home communities to find out the general consensus of opinion on the project.

Self-Supporting Hospital

One said that he had heard some talk that a new county hospital would be operated as a charity hospital, such as Robert B. Greene in San Antonio, and that many people considered its

Two Persons Die In Head-On Crash; Others Are Injured

Medina County recorded its first traffic fatality of the year Sunday night when a head-on collision in the city limits of Hondo took the lives of two persons.

Killed in the two-car accident were Manuel Castro Correa, 312 Jean St., San Antonio, and Efigenia De La Cruz Lopez, 71 year old Villa Acunia, Mexico resident. Correa was 34 years of age.

Other injuries in the accident included: Elisa Lopez de Correa, 34 and wife of the dead man, facial lacerations, neck and back injuries.

Optimists Elect Officers

Hondo's newly formed Optimist Club has adopted their constitution and by-laws, elected officers and have planned a formal installation service for April 22.

J. D. Enloe will head the 28 members as president. Other officers are Gene Snyder and Maurice Steen, vice-presidents; Bill Sullins, secretary; Ross Griffin, treasurer; Leslie Holloway, sergeant-at-arms; and Bob Mayfield, G. C. Grisham, Charley Pimm, Bob Thompson, Dr. Joe Mims and Jerome Decker, directors.

Devine Man Found Dead Wednesday

A Mr. Deck, initials unknown, was found dead at his home near Devine Wednesday morning, after neighbors missed seeing him around his home.

A retired navy man, Deck lived by himself. The Sheriff's Department says he has a daughter and son-in-law in Little.

After missing Deck, neighbors went to the home and looked in the window. They failed to arouse him and later found that he was dead. He had been dead for an estimated 36 hours. Harry Robe deputy sheriff, said it was thought he died of natural causes.

DEATH CAR—Shown on top is head-on on Highway 90, 1.9 miles from the red light at Ave. M. One of the dead was from San Antonio and the other from Mexico. Driver of the other car received only a broken jaw.

Natalia Vote Returns Two

NATALIA, (Spl) — W. A. (Dub) Mays and Clarence Fabish were both returned to office in Saturday's school trustee election.

An overall total of 283 votes were cast in the election with the following results:

W. A. Mays, 161; Clarence Fabish, 147; W. E. Russell, 67; Fisher Biley, 66; Andy Simmons, 46 votes as a write-in candidate; Charley Brown, 37; and A. A. (Dude) Spivey, 34.

Helps Athletic Fund Money For Natalia

Kelly Air Force Base United Fund has contributed a \$1,000 check to the Natalia Athletic Fund, to help pay for athletic equipment destroyed in the school fire last year.

Gen. Thetus C. Odom, commander San Antonio Air Material Area, Kelly AFB, presented the check to Betty Whittington and Charles Thatcher, president of the Natalia school board.

The check represents an outright gift to help replace some of the \$7,484 worth of athletic equipment lost in the school fire last December.

While everyone concerned was racking their brain for a solution to the problem of replacing athletic equipment, Betty came up with the idea of a direct appeal to the Kelly Field United Fund. After many long hours of sweat and toil pouring over tax records and other available information, she submitted a two-page typewritten appeal addressed to the General in which she pointed out, "among the 526 school-age children in Natalia, one-third are children of federally-employed parents. Tax records reveal that Kelly Air Force Base employees represent 19 per cent of the taxpayers in the Natalia School District. It is in behalf of these employees that we respectfully submit this appeal for assistance from the Kelly Air Force Base United Fund in restoring the social side of the educational program, which is so vital to our young people."

Fire Takes LaCoste Building

La COSTE, (Spl) — Fire of undetermined origin touched off a two-alarm blaze here early Monday morning, completely destroying a frame building located on the premises of the Corner Store.

Fire fighting units from LaCoste and Castroville were on the scene minutes after the alarm sounded, and brought the fire under control preventing it from spreading to adjoining buildings.

The building had been placed in its location by a moving concern only several hours previous to being reduced to rubble.

School Vote

Herbert Moehring and Bruno Schweers were returned to the Hondo Independent School District school board at an election held last Saturday.

Total vote in the election was 251. Moehring received 244 votes and Schweers received 243. O. L. Moss and Charlie Lutz each received one write-in vote.

Six persons scratched both names off the ballot and failed to write in anyone, thereby voiding their ballots.

W. J. (Bill) Perkins and R. E. Savage won in Devine's election by defeating J. B. Harrison and George Busby.

R. F. Wolff, Cletus Batto and W. A. Nehr were reelected to the D'Hanis Independent School board. Voting was very light.

In another paragraph, Betty said, "As residents of Medina County we are ineligible to derive benefits from the Bexar County agency, although, as members of the Kelly team, we have annually participated in base campaigns to raise funds for these organizations."

(See MONEY, Page 6)

Official Attends CC Meet

Mrs. Winnie Braden, secretary of the Hondo Chamber of Commerce, attended a meeting of South Texas Chamber Secretaries and Managers Friday in San Antonio.

It was the Fourth Annual Short Course for Chamber Managers and Secretaries. The Course was sponsored by Chamber of Commerce Managers Association of South Texas and the South Texas Chamber of Commerce.

Program Chairman was Melvin Sisk, executive vice-president of the San Antonio Chamber of Commerce. Caesar Damon, Manager of San Marcos Chamber of Commerce was in charge of the morning session Friday and the welcome address was given by Honorable J. Edwin Kuykendall, Mayor of San Antonio. Hondo's own F. M. Davis spoke on "The Federal Highway Bill of 1956".

Other County Accidents

Elizabeth Hedge, six year old daughter of Mr. and Mrs. W. B. Hedge, 1402 24th St. Hondo, is reported in "good" condition following an accident on 24th St. last Friday about 4:30 p.m.

The girl was struck by a 1954 Ford driven by Mary Goodson Strouhal, 32. There was no damage to the vehicle, which is owned by R. M. Strouhal.

Orby Swartzell, chief of police, said Mrs. Strouhal was driving about 10 miles per hour at the time of the accident.

According to two eye witnesses, the car was going west on 24th St. at about 10 miles per hour when Elizabeth ran from behind a parked car into the path of the approaching vehicle.

There were no arrests in the accident.

Another accident, near Medina Lake at 9:45 p.m. Saturday, injured two persons. Driver of the car, Robert Glynn Porter, 26, said he and two other airmen from Lackland Air Force Base were traveling 1.7 miles north of Mico at the time of the accident.

John Apton and John Pelky 21 and 20 respectively, both received minor injuries in the accident.

The car, a 1949 Chevrolet, left the road on a sharp curve, and went back to the right into a wooded area, highway patrolmen said. All three men were taken to Lackland Hospital.

STOLEN CAR

The Medina County Sheriff's Department has been notified that a stolen car from this county has been abandoned near Encinal. The car was stolen from Jack Winkler Buick Co. March 25.

The car, a 1947 Buick, was found in running condition, with no visible damage.

Zoning Committee Set-Up By Council

The Hondo City Council has passed a zoning ordinance and created a Zoning Commission for the city of Hondo.

The Zoning Commission is composed of five members, residents, taxpayers and qualified voters of the city, and all appointed by the mayor, subject to confirmation by the City Council. Members will serve under a staggered term set-up of one, two and three years. All vacancies shall be filled for the unexpired term in the same manner as provided for the original appointments.

PROCLAMATION

We, T. B. Knopp and Frank Ducos, Mayors of the cities of Hondo and Castroville, respectively, do hereby declare that the week beginning April 17, 1957 shall be known as Cancer Control Week.

We urge all citizens to support the campaign financially and to help spread knowledge and information concerning detection, prevention and cure of cancer.

Attest:

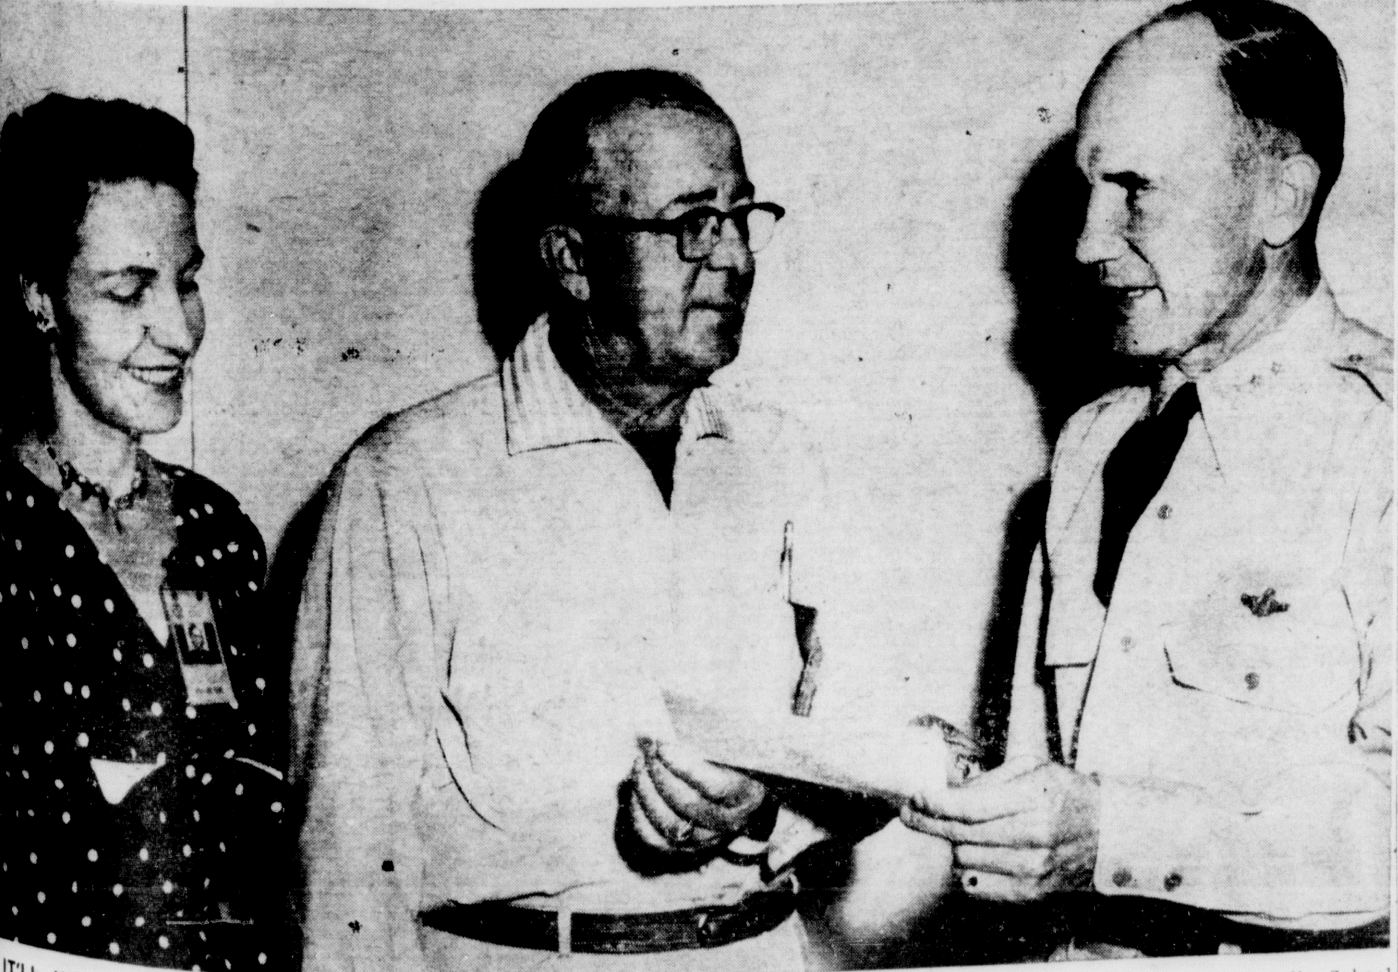

O. L. MOSS, Hondo
CHARLOTTE LAFFERTY, Castroville
City Secretaries

All expired terms will be filled for terms as provided for the original appointments also. Members of the commission can be removed by the mayor, with the consent of the City Council, after public hearing and for cause assigned in writing.

The Council may attend meetings of the commission and members will serve with no pay.

The Planning and Zoning Commission will elect its own chairman and vice-chairman from its membership and "shall have the power to employ such qualified persons as may be necessary for the proper conduct and undertakings of the Commission and to pay for their services and such other necessary expenses, provided that the cost of such services and expenses shall not exceed the amount appropriated by the governing body for the use of the Commission".

The Commission also has the (See COMMISSION, Page 6)

IT'LL HELP — The pleased expression on the faces of Betty Whittington and Charles Thatcher, Kelly Air Force Base, hands them a check for \$1,000. The check, drawn on the Kelly United Fund, is payable to the Natalia School Athletic Fund and will help pay for athletic equipment destroyed in the school fire last year.

E. M. Rogers Named To Hondo

E. M. Rogers, who has been associated with the United Gas Corporation for almost 20 years, has been appointed local representative for the Company in Hondo and assumed his new duties Monday April 8, it was announced by A. E. Johnson, manager of the Pleasanton district office.

He succeeds J. K. Hamby, who has been transferred to Schertz. Rogers joined United Gas in 1937. His first work was as a Helper at Burkburnett, and he has been a serviceman and general serviceman at Quanah and Vernon. In 1952, he was transferred to New Braunfels in a similar capacity and was promoted to local representative at Giddings in September, 1954. Since December, 1955, Rogers has been attached to the United Gas Warehouse at New Braunfels.

He is a graduate of Vernon High School. During World War II he joined the Seabees spending three years in that service including one year on Guadalcanal.

Mr. and Mrs. Rogers have a 9-year-old daughter, Nancy Margaret. They are members of the Methodist Church.

Highlights and Sidelights FROM Your State CAPITOL

AUSTIN, Tex. (Spl) — Travis County grand jurors are going to be busy. Legislative investigating committees have dumped into their laps bales of testimony about the two biggest news developments of the year.

House ICT panel asked the jury to consider evidence suggesting that (1) Insurance Department employees received payments from ICT and (2) company officials may have violated state law prohibiting political campaign contributions by corporations.

Committee called acceptance of ICT money by former Insurance Commissioner J. Byron Saunders and Max Wayne Rychlik, son-in-law of former Chairlik, "a gross breach of public trust." It also recommended the jury look into whether funds made available by ICT to the Texas Federation of Labor were used for political purposes. It pinpointed a legislative campaign contribution as having been charged to the corporation.

All in all, committee report showed some \$50,000 in ICT funds went to persons who were in public office when they received the money. It said "propriety of some of these payments was highly questionable." Also sent to the grand jury was a "new major development" by the House bribery investigating group. Nature of the development was a closely guarded secret.

Only information disclosed was that "new evidence" had been obtained from a witness who had been under Department of Public Safety questioning. Witness was not a state official or employee, said the district attorney.

New Laws, Studies
Besides providing grand jury evidence, House ICT Committee had three other recommendations. They were: (1) that a law be passed giving the Insurance Commission authority to regulate management contracts, such as one BenJack Cage had with ICT, (2) that the Texas Research League be requested to study Commission operation and (3) that further investigation be made into the tangled history of ICT's financial "deals."

New Senator
Ralph Yarborough will take office as junior U. S. Senator from Texas on or sometime after April 19. Yarborough was defeated in four previous races — three for governor, one for attorney gen-

eral. His victory meant that for the first time in years a spokesman for the labor-liberal wing of the Democratic party will go into a major Texas office.

Republican hopes for a two-party Texas plummeted. In the high-man-wins race Yarborough got approximately 37 per cent of the votes; Conservative Democrat Martin Dies, 30 per cent; Republican Thad Hutcheson, 23.8 per cent.

Money Bill Passed
Legislative blueprint for state spending during the next two years has reached the conference committee stage.

An economy-minded Senate passed the general appropriations bill at a figure some \$2,000,000 less than the House-approved version. Sponsors managed to scotch all efforts to tack on amendments for additional spending. Among items sought were raises for county agents and home demonstration agents and increases in judges' salaries. Total of the Senate appropriation bill is \$2,084,349,515. Both House and Senate recommendations are some twenty-five to twenty-seven million dollars less than the comptroller's estimate of income.

Insurance Bills
A bill to allow "flexible rates" for casualty insurance is given little chance of passage. Senate Insurance Committee refused to vote out the measure which would abolish Texas' system of statewide uniform rates. The proposed bill would set a rate based on each individual's accident record.

A House committee weighed the possibility of Insurance Commission reorganization from the viewpoint of present Chairman John Osorio. Governor Daniel had appeared earlier urging passage of the bill. Osorio said board reorganization already is under way. He said he felt it could be successfully carried out under present laws.

Real difficulty of the commission, he said, is not top level organization, but need for more examiners. He recommended a 150-man staff, rather than the present 39, and higher pay.

Securities Department
Creation of a new state agency to regulate both insurance securities and other types has Senate committee approval.

Presently, insurance securities are handled by the Insurance Commission, general securities by the secretary of state's office. Sen. Jim Phillips introduced a bill putting insurance securities under the secretary of state. That's just in case the consolidation bill doesn't pass, he said.

Water Bill Signed
Governor Daniel signed into a law a measure allowing the Water Board to cancel unused water permits.

Water conservation program leaders had claimed the new rule would solve "75 per cent of Texas' water problems." Some cities had protested it would allow the board to take from them water they needed for future expansion.

Proponents said Texas now has outstanding permits for more water than is available, but all of it is not being used. Cancellation of unused permits, they said, would allow the water board to reassign water for beneficial use.

Archives-Land Building
Governor Daniel has given his blessing to a plan for a new building for the State Library and Archives and the General Land Office.

A bill providing \$2,500,000 for such a building is before the Legislature. Funds would come from a surplus in the drivers license fee fund.

Ad Bill Passed
House added an industry-matching amendment before passing a Senate measure to allow state advertising.

Proposed constitutional amendment would allow use of state funds for advertising as long as they are matched by private interests.

House sponsors said they hoped the conference committee would eliminate this feature.

Short Snorts
Time is running out to have cars safety inspected, warns the Department of Public Safety. Deadline is April 15.

House passed a bill to regulate egg labeling and license dealers. Senate already has passed, so measure needs only minor adjustments and the governor's signature.

Senate Transportation Committee Chairman J. P. Fuller had to break a 5-to-5 tie to allow the committee to vote out a bill to increase truck load limits. Highly controversial measure is backed by truckers, opposed by railroads. Irked by the Building Commission's failure to air condition their chambers, Legislators have passed a resolution to put in temporary air conditioning.

Barney Google and Snuffy Smith

PERSONAL APPEARANCE

By Jerry June Berger

Considering the fact that only the two incumbents were listed on the official ballot, there was a big turn-out at the school election Saturday. A total of 251 citizens cast their ballots giving the two candidates a substantial vote of confidence.

Men who serve in this capacity serve without any monetary com-

pensation, so votes cast for them are just about the only kind of thanks they ever receive.

We hope that some day Hon-dons will elect a mother to the school board as so many other towns and cities are doing. There are several reasons why one has a definite place on the board — the most obvious being that at least half of the parents of the school kids are mothers! But also, mothers show more obvious interest than fathers in the education of their off-spring. One doesn't have to attend but one Parent-Teacher association meeting to figure that out. Of the 75 or so who turn out at a PTA meeting, about 70 are women.

We don't mean to imply that the dads aren't eager for the youngsters to have an education — it's just that the mothers take on more responsibility in this regard. Anyway, mothers ought to have representation on school boards.

Spring clean-up time has made quite a change at the CHESTER HEYEN residence. Not only did they repaint their home a charcoal grey color, but they also dolled up their drive-way with a new automobile which, in color, exactly matches their house.

Did you have your winter clothes and heaters all put away when the cool weather hit this week? Thanks to our procrastination, we didn't. Last year we, very efficiently, we thought, had them all out of the way by the first of April and one of our close friends told us at the time we should know better, as we frequently have "variable" weather 'til May. As a result, the family was fussing at us several times during last April — this year their closets can just stay cluttered with both winter and summer duds. We're waiting until May to store their winter clothing.

PA
MRS. JOE MITCHELL, who wants a new Easter dress for each of her five young daughters, is getting an assist from her mother, MRS. HUNTER of Uvalde. In Hondo Tuesday, MRS. HUNTER said she had started a dress for MARILYN, oldest of the quintet, and found that it fit just younger JOELLEN better, and that the one intended for JOELLEN does nicely for just younger DANA.

Unperturbed, MRS. MITCHELL said it didn't matter what size the dresses were made, they were just bound to fit one of the girls if they were from size 8 on down.

Last week in commenting on the move to reduce the Federal budget, said: "We may reduce some items below where they should be, but I find it is easier to correct that sort of error later. Where it is demonstrated that we have cut too much, it can be restored in a supplemental appropriations bill. However, if we appropriate money that is not wisely and prudently spent, I know of no way to get it back. With that thought in mind I will continue to support the drive to reduce the Federal budget." After examining each amendment in this light, I voted for all the amendments to reduce the bill.

The House Appropriations Committee has reported the bill for the Commerce Department and we will consider it next week.

The committee made substantial cuts, which, if sustained, will bring the total reductions to this point to over \$1 billion. If the rest of the appropriations bills for the next fiscal year are cut as much as the ones we have already acted on, the total cuts will exceed \$5 billion.

The Agriculture Committee of the House favorably reported week my bill to fix the beginning of the cotton loan program based on the parity price of cotton as of June 1 instead of August 1 as in the past. This would insure that the loan program is in operation when South Texas cotton is picked so that the extra cost and time of applying for an interim loan can be avoided.

Well, then the United States and the United Nations talked England and France into calling off the war, which they couldn't

Anvil Herald, Hondo, Texas 3
Friday, Apr. 12, 1957

This Week --In Washington

By Clinton Davidson

It is a saddening, and frightening, situation that now faces farm leaders in Washington. Political and sectional differences have left a deep cleavage that adds to the difficulty of passing needed farm legislation this session.

The bitter battle over corn legislation inflicted deep wounds that will take time, maybe a long time, to heal. And, while those wounds are sore, the Farm Bloc will be slow to function.

There was foreboding that something of the sort might happen when, in 1956, Congress, after a long fight, sent a bill to the White House to restore 90 per cent of parity price supports for the basic crops. That bill was vetoed.

The lid blew off this year when Agriculture Secretary Ezra Taft Benson gave corn growers a choice of two programs, and they chose the one he didn't want. He told Congress the program they chose was unworkable, and asked that a law be passed to make effective the one that failed to get the necessary two-thirds approval of growers, but did get 61 per cent of the vote.

Southern Democrats, already displeased because they felt corn farmers gotten more than their share of the 1956 soil bank payments, demanded that the acreage reserve payment rate be opened to all growers of feed grains, at an estimated cost ranging up to an additional \$1 billion a year.

Temper in the House Agriculture Committee became so heated that the members engaged in a verbal free-for-all, and they repeated the sorry spectacle on the House floor. It was a performance unmatched in more than 25 years.

The result, as usual when farm spokesmen in Congress disagree widely, was that Congress did nothing. There are differences of opinion over how much, if any, the failure to enact new corn legislation will hurt corn growers in the commercial area. The corn fight, however, proved one thing and threatened another. It proved that when the Farm Bloc can't or won't agree, farm legislation hasn't a ghost of a chance of passage. It threatened a divisive resistance to all farm legislation from representatives of city consumers, the majority of Congress.

The farm groups have gotten most of what they wanted in the past because they were united, and because they were supported by most of the congressmen, of both parties, from urban districts. Congressmen from farming areas know they can't get farm legislation through Congress without the helping votes from congressmen from urban districts. Farmers and farm leaders recognize that the farm population has decreased to 13 per cent of the national total, and may be only 10 per cent by 1965.

Political influences — what voters in their district want — often have a decisive bearing on how congressmen vote. If a large majority of city voters want cheap food, then farmers could become a legislative step-child dependent on the whim of city voters.

To some congressmen from areas where consumers are complaining about rising living costs, the \$3.3 billion USDA plans to spend in the 1958 fiscal year to help farmers may look like unwarranted favoritism. If it does city congressmen may start voting accordingly.

Seco Operates Farm On International Level, Which Explains Its Shape

Editor's note: The Seco Philosopher on his Johnson grass farm explains his farming operations this week, or at least we suppose that's what he's doing.

Dear editor: A lot of people tell me I don't know how to run my farm out here and they may be right, as most people are experts at not knowing how to do things anyway, but the trouble with these people is they don't understand the level I'm operating on.

I operate on the international level, and when you get up on that plane, it takes a different kind of sense. For example, take the Suez Canal. It's an example of operating on the international level. As I understand it, Mr. Nasser, the president of Egypt, took over the canal last Fall from its builders, England, France and a few others, and England and France started a war to get it back.

Then Nasser sank 47 ships in the canal, and that blocked it off from everybody. Well, then the United States and the United Nations talked England and France into calling off the war, which they couldn't

How Much Will It Cost?

Hospital To Give Value Received

By Jerry June Berger

Getting down to cases on the hospital situation, it has been estimated that a 30-bed hospital for Medina County, complete in every detail and including major equipment, would cost approximately \$450,000. (This figure is arrived at by using the state health department recommended catch-all figure of \$15,000 per bed.)

Of this amount, half would be supplied by funds from the federal government under terms of the Hill-Burton act. That leaves another \$225,000 or so for the citizens of Medina County to raise by a method not yet determined.

It might be done on a voluntary contribution basis, but that is very time consuming — it took Jourdan four years to gather enough money for theirs. Leon Steidle of that town, a nephew of Joe Steidle of Dunlap, was in charge of their concerted subscription campaign and he spoke at the Medina County court house recently concerning the problems involved. Steidle said, "A tax bond is by far the fairest means of building a hospital, for each of us is his brother's keeper."

If we follow this experienced man's advice, a natural question is, "But how much is it going to cost me?"

At the same court house meeting, County Judge Arthur Rothe made some estimates, based not on \$225,000 but on \$250,000 as our part of the project. He said that if we vote a bond issue on a 10 year pay off, assuming that

bonds can be sold at four per cent, the cost would be 25c per \$100 valuation. This is based on 90% collections.

To cite some specific examples:

If, on the county's tax rolls, your property has an assessed valuation of \$1000, your cost would be only \$2.50 per year for ten years.

If your assessed valuation is \$5000, you'd pay \$12.50 per year for the ten years.

Or you would pay only \$25 per year if your property has been assessed at \$10,000.

In case the county voted to have the issue extend over 20 years instead of 10, the tax rate would be 17c per \$100 valuation which would mean that payments would be less per year, but because of added interest, we'd be paying out a total of more cash as a result of the time extension and added interest.

These amounts seem small indeed if we also realize that with our expenditure we would have absolutely the best in small hospitals. With it, we would have no necessity of running in to overcrowded San Antonio for routine tests, and if the patient desires, specialists in various fields could come out here to the patient instead of the patient and all his family having to go into the city for an indefinite stay.

When the welfare of our loved ones is concerned none of us want less than the best.

Good Luck Senator Yarborough!

Ralph Yarborough is the new Senator from Texas, and there must be a grand and glorious feeling deep down inside as he begins his duties representing Texas in Austin. Rarely have men tried so long and rarely have men come back after all those defeats to win.

We supported one of the losers, but we feel certain that Senator Yarborough

will make Texas a fine spokesman.

There is something about the office that causes men to forget petty things such as who supported him and who didn't, and try to do the right thing for the state as a whole.

Good luck, Senator Yarborough. We'll be expecting to hear from you in the years ahead.

fletcher davis

QUOTES SOME TIMELY OBSERVATIONS THAT DESERVE THOUGHTFUL CONSIDERATION

The Summitt (Miss.) Sun quotes from The Richmond (Va.) News Leader the following pertinent observations:-

The States' Righter's world we are bound to say, is a world of many vexations, and not the least of these is the decline and fall of the noun, **United States**, as a plural collective noun.

Such are the corruptions of an illiterate and ungrammatical time that **United States** almost always appears in the singular number. We find ourselves surrendering to the nefarious habit about half the time.

Actually, of course, the noun is a plural noun; it is constitutionally a plural noun; and when a committee of the United States Senate reports a Middle East resolution beginning, "The United States regards as vital to the national interest," the States' Righter winces. He really does.

The Constitution of the United States never speaks of the United States except in the plural. A census of the United States is to be taken "in such manner as **THEY** shall by law direct". Treason against the United States consists only "in levying war against them, or in adhering to their enemies." Titles of nobility are not to be granted by the United States, "and no person holding any office of profit or trust under **THEM**" shall accept foreign titles. Slavery shall not exist within the United States or in any place "subject to **THEIR** jurisdiction".

—FD—

And from the same source, we call the following admonition and appeal by columnist, B. F. Hutton:-

Do you know that about of your working time goes for federal, state and local taxes? Based on the 8-hour day, you work 2 hours to pay your taxes.

The Department of Agriculture estimates that you, farmers, paid, in 1954, Federal Income, State Sales and property taxes aggregating \$2.9 billion. Another source estimates you paid further taxes, including hidden taxes, of \$1.8 billion. Yet the Government continues to spend billions yearly

to "aid" agriculture and support farm prices.

Does this make sense? Some years ago the New Deal, under pretense of giving underfed children a square meal, began donating groceries for school lunches.

Last year, about 3,400,000 persons enjoyed dinners at the taxpayers' expense! If you think they were outcasts, listen!

In Sunflower County, Miss., 37,000 of its 53,000 citizens were on the free list in 1956. The County welfare agent sent out 1,500 letters urging farmers to Government out of agriculture.

see that their tenants and hired help "got on the gravy train".

They say that, in Pennsylvania, it was only necessary to stick out your hand, and receive the handout — so anxious was Government to give away groceries!

And in Detroit there were, in 1956, 30,500 families fed "for free". People just motored down for Government groceries.

What is this, all, but an attempt to dispose of farm surpluses?

Write your Congressmen; tell them to at least BEGIN to get Government out of agriculture.

Texas Fights Cancer

(Editor's Note: This is the first in a series of articles on cancer to appear in the Anvil Herald.)

Is human cancer inherited? A Texas scientist has made a study of this, and his answer is: "No. One can't inherit cancer."

Humans may inherit a susceptibility or a predisposition to cancer however. That means that under certain conditions — possibly in the presence of a cancer virus (if such a thing exists), overexposure to cancer-causing rays and chemicals — a hormonal imbalance — certain humans are likely to develop a cancer.

Even in experimental animals it is not easy to develop a strain which inherits cancer. Mice and rats must be inbred for many generations for them to show cancer with predictable frequency.

Help Texas scientist fight cancer. Address your contribution today to: CANCER in care of your postmaster.

Texas Deer Herds Stand Winter Well

AUSTIN, (Spl) — Combination of a good fall food crop and substantial winter rains enabled Texas' deer herds to endure the winter with the lightest die-off in recent years, according to the Director of Wildlife Restoration for the Game and Fish Commission.

He quoted field reports from practically all parts of the main big game range that deer generally enter the spring fawning season "in excellent condition."

"This," he added, "should yield a good fawn crop since adult deer mostly were robust during the fall mating season and the does will be capable of nourishing their young this spring."

The Director said the reports of winter losses were confined to scattered parts of the Hill Country, including western Kerr County, and to the southeastern part of the Trans-Pecos area. He said malnutrition apparently caused most of these deaths.

"All in all," he explained, "the mortality rate for deer during the winter months was the lowest in several years, or since the great drought set in about seven years ago. In the area where acorns are a major food, a bumper crop of this staple meant the difference. Favorable weather likewise stimulated other kinds of food in other areas."

od for this herd correction, he said, is through liberalizing harvest regulations, either to extend hunting seasons or expand legal game beyond the ancient buck deer only provision.

Who rates what for performance and smoother riding in the low-priced three? Chevrolet has laid the answer and the proof on the line!

First, Chevrolet won the Auto Decathlon over every car in its field, and over the higher priced cars that were tested, too. This rugged ten-way test (right, below) showed Chevrolet the champ in handling ease, braking, acceleration, passing ability, smoothness of ride and other driving qualities you want in a car.

Then, Chevy won the Pure Oil Performance Trophy at Daytona (left, below) as "best performing U. S. automobile."

It's quite a feeling to know that you are driving a car that performs so well, responds so beautifully and is so finely built. You feel proud, of course. But you also enjoy a surer, smoother, steadier way of going, a keen cat-quick response of power, and the easiest handling you've ever experienced behind a wheel. Just try this Chevrolet (V8 or Six) and see!

ABOUT YOUR HEALTH

A weekly public service feature from the Texas State Department of Health,
 HENRY A. HOLLE, M.D., Commissioner

AUSTIN — Ever since the first spark of life appeared on this earth, cancer has been one of the most fearsome, most enigmatic diseases mankind has had to contend with. But we know more about it than is generally realized. We know enough, in fact, that a diagnosis of cancer need not be considered a sentence of death.

We know that all types of cancer are different since they affect different tissues of the body. We know cancer has no respect whatever for age, although it does occur more frequently after 40. Conversely, we know it causes more deaths than any other natural cause in children between 9 and 12.

Cancer is not inherited, except in perhaps two rare types. A tendency toward cancer may be passed from one generation to another, but the actual cancer cell is not inherited. This we also know.

We know that cancer is not contagious or communicable from one person to another. We know that certain agents or conditions will cause certain types of cancer or are factors in causing cancer. For example, exposure to sunlight over long periods of time (farmers, seamen) is known to cause certain types of skin cancer. Certain chemicals such as aniline dyes may cause cancer in experimental animals. An injury or prolonged irritation of the mouth or lip area such as sometimes comes with habitual pipe smoking is also a factor in causing cancer. Prolonged exposure to x-ray or radium may also cause cancer of the skin or other parts of the body.

We know that certain malignancies are self-limiting; that is, they have the curious property of curing themselves without treatment. This is an unusual happening, but it does occur for some unknown reason.

Perhaps the most important thing we know about cancer, is that many cases can be cured by irradiation with x-ray or radium or a combination of these techniques. Rapid strides are now being made in treatment of certain types of cases with chemical compounds.

Since it can be cured, why do more than 10,000 people die in Texas with cancer each year? Because by the time the disease

John Cason Completing AF Training

Airman Johnnie B. Cason, 19, son of Mr. and Mrs. B. D. Cason, Hondo, is completing the first phase of his basic military training at the "Gateway to the Air Force," Lackland Air Force Base, San Antonio.

Upon completion of this training, he will be assigned to an Air Force technical training course or an advanced basic training course leading to a specialized Air Force job.

While at Lackland the new enlistee undergoes the transition from civilian to airman through a program which includes processing, aptitude testing, physical conditioning, survival and weapons training, and classroom studies ranging from citizenship to military customs and courtesies.

Like the USAF Officer Candidate and Pre-Flight Schools, also located at Lackland, basic military training lays the groundwork for either an on-the-job assignment or vocational schooling in line with capability of the individual.

Noonan-Pearson

By Mrs. Louis Stein

The Friendly Ladies Club met with Mrs. Venson Baker last Tuesday.

Mrs. Roy Tschuhart and children were LaCoste visitors Friday with M&M George Echtle and family.

Seta Myers of Castroville, spent Saturday with her schoolmate, Betty Jean Tschirhart.

Louis Ihnken was a Castroville visitor Saturday.

Jimmy Tschirhart has a case of measles.

Money . . .

(Continued from Page One)

For many years employees at Kelly Field have contributed to this fund on a "voluntary basis" in the amount of two-thirds of one day's pay and it was on this basis the appeal was made and the grant justified.

People of Natalia community are grateful for this splendid gesture on the part of the officials at Kelly Field, and no doubt will contribute to this fund with a more cheerful attitude in the future because of this "live and let live" spirit.

Natalia signers to the petition to Kelly United Fund, and the place of their employment were: Betty Whittington, comptroller; Jenny Maney, supply; Oscar P. Robins, maintenance; Charles Thatcher, maintenance; Lloyd G. Robins, special weapons; John B. Taylor, base support; W. A. (Dub) Mays, maintenance. Four of the signers are Natalia school board members.

The money will be used exclusively for the school's athletic program, according to Thatcher.

Commission . . .

(Continued from Page One)

power to make rules, regulations and by-laws for its own government, which shall conform as nearly as possible with those governing the City Council. They will be subject to approval of the City Council. The by-laws will include provisions for regular and special meetings, open to the public; records of its proceedings; to be open for inspection by the public; reporting to the governing body and the public, from time to time and annually; and for the holding of public hearings on its recommendations.

Main part of the ordinance says the Planning and Zoning Commission "shall have the power and it shall be its duty to make and recommend for adoption a master plan, as a whole or in parts, for the future development of the municipality and its environs and shall have power and it shall be its duty to prepare a comprehensive plan and ordinance for zoning the city."

Rev. Norman is thinking of retiring from his hobby in the next few years. A youthful 75 years of age, he says that the animals do require a lot of care and he thinks he would like to "take it easy for the next 30 years or so."

"One thing about raising chinchillas," Rev. Norman said with a twinkle in his eye, "you don't have to depend on rain to harvest a crop, and if a fellow really put in full-time to the job, he would put almost any crop in Medina County."

On Jan. 1, 1955, he had 13—today, he has 70. The little animals do best in a cool climate so in Texas, chinchillas are raised in air conditioned rooms. The little creatures call the high Andes Mountains home, and were practically extinct in 1923

Rev. Luther Norman Displays Chinchilla Pelts Ready To Ship

Several years ago, the Anvil Herald carried a feature story on Rev. Luther Norman and his hobby of raising chinchillas. He came by the office to show us how the pelts look when they are ready for shipment. Nineteen shipments of chinchillas to market by Norman finds he averages \$25-40 per pelt.

A long coat with buttons and lining, weighs three pounds — a stole of chinchilla ordinarily sells for around \$35,000, he said.

Rev. Norman started raising chinchillas several years ago. His starting pair cost him \$2,000 but he says that he knows now that he was taken on the transaction. Today, a pair of chinchillas will bring about \$150.

On Jan. 1, 1955, he had 13—today, he has 70. The little animals do best in a cool climate so in Texas, chinchillas are raised in air conditioned rooms. The little creatures call the high Andes Mountains home, and were practically extinct in 1923

Devine Briefs

Three Devine Youths Win In League Meet

By Mrs. Bill Baker

The Literary events of the Interscholastic League for District 27-AA, which includes Devine, San Felipe de Del Rio, Northside of San Antonio, and Crystal City, were held in Crystal City Saturday, April 6.

Winners from Devine were Helen Bain Martin, first place in senior girl declamation; Gilbert Buentello, first place in senior boy declamation; and Ralph Bader, second place in senior boy declamation.

Among those attending the Texas Relays, held in Austin Saturday were M&M J. M. Johnson and son Andy, M&M Floyd Hill, M&M L. C. Martin and Mack Estes.

The Devine Parent-Teacher Association will send 13 delegates to the fifth District Conference to be held in Pearsall, April 12. According to Mrs. John M. Johnson, president of the local unit, those attending will be the newly elected officers, president, Mrs. George Wilkerson; vice-president, Mrs. Ruthell Littleton; secretary, Mrs. Worth Thompson; treasurer, Mrs. Glen Stewart; parliamentarian, Harlan Ontjes; historian, Mrs. James Gardner; Mrs. L. C. Martin, district recording secretary, will also attend.

Albert Schott Dies At Castroville

Albert Schott died at the Mueller Rest Home in Castroville Tuesday, April 2, 1957, following a lengthy illness.

Rosary was recited at the Tondre Funeral Home at 7:30 p.m. Wednesday, and was led by Rev. David Murer, Requim Mass was held at 9:30 a.m. Thursday in St. Louis Church, Rev. Leo Goertz officiating.

Palbearers were Raymond, Leo and Rudolph Schott, Wilfred and Oscar Haby and Johnny Hoffmann, all nephews of the deceased.

Martin To Head ACC Psi Chapter

Bill Martin, of Devine, and a student at Abilene Christian College, was recently elected president of Texas Psi Chapter of ACC, which is the College Chapter of the Alpha Chi National Scholarship Society.

Bill is also a candidate for vice-president of the Student Council of the College and a member of the Wild Cat Band which will leave Abilene the latter part of April with an itinerary that will carry them through several northern states, with Laramie, Wyoming as their destination. They will perform in each state they travel through. The band is under the direction of Douglas Fry.

THDA DELEGATES — From left to right, Mrs. Gladys Sollock, Mrs. W. C. Whitehead, and Mrs. Harrison Wilson discuss plans to attend the Texas Home Demonstration Association meeting in Edinburg Friday, April 12, with Mrs. Estella Strayhorn, Medina County home demonstration agent. Mrs. Wilson is president of THDA.

Nice, Neat Path

Coffee Break Trail Leads Across Square

By Don Wenzl

Toward the end of the afternoon, when even short shadows seem extra long, if you stand on the postoffice sidewalk due south of the Court House flagpole, you'll see a path across the just-greened-up square.

It's straight as a string, as though it had been sighted through a transit and staked. From Court House door, past flagpole, across the plaza, the parking area, 17th street, and then where?

Turn to the right and it has become a coffee path. Turn to the left and it becomes a mail path. Which was it?

Buster Rath showed me the path one Sunday afternoon, and sure enough it was just as described. It posed this question: Was the Court House crowd drinking coffee all day long, or had some young boy, with a spring fancy, found a new way to school?

I talked to several people about it, and they allowed as how it sure looked like a coffee-break path.

While drinking coffee with Henry Schulte I found the answer to the mystery. The path was indeed, made by the Court House crowd, or at least one of them. It was Chief Bader making many trips to the post-office to see if his income tax refund check had arrived. (Ed note: Now he has coffee money.)

Well, it must be nice to have filed your taxes early and be getting a refund now. Personally I just filed mine this week.

Austin Preacher To Speak At Church Of Christ Meet

membership, extends to one and all a very cordial welcome.

Reuel Lemmons, preacher, lecturer, editor and world traveler, will be the evangelist in a meeting to be held at the Church of Christ April 15-21. Services will be at 7 a.m. and 8 p.m. beginning Monday night through Saturday; Sunday, 11 a.m. and 8 p.m.

The local minister, Luther Norman, upon behalf of the

Settlement News

By Mrs. R. H. Bayer

Mrs. Wilford Hoffman, Rita, Rebecca, Mrs. Sterley Jagge and Carolyn were San Antonio visitors Saturday.

M&M Erwin Biediger, Kay and Vickie Ann visited with M&M Elmer Biediger, Sheila, Raymond and Adolph Biediger Sunday.

M&M Sam Tschirhart were Sunday night visitors at the Wilfred Moehring home.

Mrs. R. H. Bayer and Ralph visited with M&M Rudolph Posch at Biry Sunday afternoon.

M&M Louis Mehr were in San Antonio Monday and while there also visited with M&M Webster Haby and son.

Dorothy Bayer enjoyed the visit of Donnie and Dorothy Horecka Sunday afternoon while her mother was at Biry.

Mrs. William Wengenroth visited with Mrs. Elmer Biediger Monday.

Ralph Bayer attended the Lutheran League meeting in the Castroville Lutheran Church annex Sunday night.

Mrs. Phillip Haby visited in the Elmer Biediger home Thursday.

Miss Carmen Bayer has written home that the "Messiah" will be presented Sunday night, April 14, at 8 and "The Passage of Saint Matthew" Tuesday night, April 16, also at 8 p.m. Both presentations will be held on the Texas Lutheran College campus.

Rev. Reuel Lemmons

Rev. Luther Norman

School Play To Be Held Saturday

The seniors of Hondo High School will present their annual "Senior Play" Saturday night at 8 in the high school auditorium. The play is a mystery-comedy, a different type play from recent years. Not only is it humorous, but also there will be a great deal of suspense.

The cast will include Clyde Bohmfalk as Ellsworth Larson, newspaper editor; Gail Knapp as Clarebeth Harris, assistant editor; Bob Taylor as Dick Martin. Sports editor, Wayne Balzen as Jay Manson, "It" boy of the school; Mike Bali as Shorty George, business manager of the newspaper; Hasey Eckhart as Dora Dean, society editor; Dolores Shelton as Margaret Allison, literary editor; Suzie Modessette as Annie Goopy, who wants to be a detective.

Parker Meyer as Pres. Hartman, President of Hollis College; Tom Zuberbueler as Benny Lyon, fraternity boy; Ray Highsmith as Inspector Burke; Curtis Wiemers as Swenson, a cop; Jimmy Leazenby as the electrician; Charles Tilley as Herman Heinrich, an escaped maniac; and Richard Moos and Robert Wurzbach as two policemen.

The play takes place in the basement of Hollis College. The newspaper staff was to have a meeting in this basement. The stormy weather, cold liver and the maniac fills the night with suspense, laughter and murder.

QUIHI News

By Mrs. Jack Sharp

M&M George Wiemers returned to San Antonio Sunday with M&M C. E. Buss for a few days visit.

M&M Matt Saathoff and children visited M&M Alfred Saathoff Saturday evening.

Our heartfelt sympathy goes out to Mrs. Katie Nietenhoefer and Henry Loessberg on the passing away of their brother, August Loessberg, in San Antonio last week.

We are sorry to report that Loretta Saathoff is ill.

M&M Alfred Saathoff and daughters, Willie, Dolly and Patricia, Mrs. Arthur Schulte and Lonnie, M&M William Ray Schulte, and Nurmi Wendland enjoyed a picnic supper at the roadside park at Castroville Sunday evening.

M&M C. C. Cave and children, Bill and Beverly, met Mrs. Cave's parents, M&M John Rodgers, at Buckanan Dam Sunday.

Bill and Beverly returned to Medina with their grandparents for a week's visit.

M&M Gaines Newton and Mrs. Nettie Smith of Corpus Christi, were Saturday visitors in the home of M&M Louis Oefinger. Mrs. Oefinger accompanied the visitors to Knappa for an overnight visit Saturday.

Sunday afternoon visitors of Mrs. Arnold Lindeburg were Mrs. Frank Westfall and Mrs. George Klaus and Frances of San Antonio, Mrs. George Hartmann, and Mrs. Richard Lynch and Terri Beth.

M&M Arnold Lindeburg were Sunday evening visitors of M&M Emil Lindeburg.

Hondo B&PW Will Hold Silver Tea

Members of the Hondo Business and Professional Women's Club voted Monday night to have a Silver Tea Sunday, May 5, from 3 to 5 p.m. at the B&PW hall. The public is invited, and it is hoped that many will come to see their newly redecorated meeting place.

Preceding the tea, Mrs. Erna Galbreath, district director from San Antonio, will meet with members and representatives of clubs from Carrizo Springs, Uvalde, Sabinal, Devine, Jourdan, Pleasanton, San Antonio and Hondo to make plans for re-districting.

The State Convention, to be held in Lubbock June 14-16 was discussed, and it was urged that as many members as possible attend this meeting.

The group voted unanimously to go on record stating that it felt there was a definite need for a county hospital.

After the business meeting, which was presided over by Mrs. Elsie Stanga, president, several games of bingo were played and refreshments were served. Hostesses for the meeting were Miss Anne Davis and Mrs. Mary Louise DePuy.

Farm Bureau Hears Walker Talk Monday

A. H. Walker, range specialist with the Texas Agricultural Extension Service, Texas A&M College, spoke on types of grasses and moisture content of the soil at a county-wide meeting of the Medina County Farm Bureau Monday night in D'Hanis.

Thirty-five persons heard Walker explain grasses and show slides. Calvin Hardt, president of the Bureau, presided over the meeting. Director from the D'Hanis area is Richard Saathoff.

Bradley Bailey, secretary of the group, reported on recent Bureau activities and presented bills which are before congress that should interest county farmers. The group voted against re-districting for representation.

B. J. Stewart, superintendent of schools at D'Hanis, gave the invocation.

Local FFA Members Hear Progress Data

The Hondo FFA Chapter held a regular meeting Monday night at which time several progress reports were given. President Clyde Bohmfalk gave a report on the Chapter's progress in the soil testing laboratory and a fertilizer test will be run on part of the plot.

To date, 3.6 acres have been fertilized with 0-45-0 fertilizer, plans are to apply nitrogen as a side-dressing when the milo is cultivated the first time. The plot was planted to Martin combine and two hybrid varieties. At the present time the crop is about one and one-half inches tall.

A report was also made on the FFA Chapter Roadsign Monument that is being erected on Highway 90 in the city limits. The FFA Chapter is grateful to the Garden Club for the use of this sight in one of their improved plots. The foundation for the monument was poured Tuesday. It is hoped the monument can be completed in one week. The structure is built of concrete tile bricks and will be painted with masonry paint. An FFA sign will be placed on the face of the monument with large aluminum letters of HONDO and WELCOME above and below the sign. The monument will be painted navy blue.

A report was given on the plans for the Revaldina FFA District Banquet to be held in Hondo April 23. Hondo FFA Girls will prepare and serve the banquet. The district and Area FFA Officers will have charge of the program. W. E. Berger will be presented the Honorary State Farmer Degree by Area VII vice-president Clyde Bohmfalk. Another highlight of the banquet will be the election of District FFA Sweetheart.

John McAnelly reported that the Vocational Agricultural III Class will appear on K O N C TV program April 19. The class will demonstrate how a farm gate can be built from pipe by use of the gas welding and cutting method.

A report was given on the Medina Valley SCS Soil and Grass Judging contest to be held April 17 in Hondo. The Hondo Chapter is planning to enter two teams in the contest.

M&M George Zuercher and son Allen visited at Hondo Sunday with M&M A. J. Graff and son Ralph, and M&M Clyde Johnson and daughter Janet.

M&M Tom Kirby of Idellville, visited with M&M George Kunze Thursday evening.

Mrs. Reba Keller visited in the Joe H. Tondre home Sunday afternoon.

Mrs. Clarence Stein and Mrs. Frances Echtle were among those who attended the 4-H school at Uvalde Friday.

Mrs. Mary Kaufman, who is in a San Antonio hospital after being very ill, is somewhat improving. Her many friends wish her a speedy recovery.

W. S. Forth of Sanderson, visited here recently with M&M Joe Kauffman, and also was a San Antonio business visitor.

Mrs. Leonard Otto and children and Mrs. L. Otto of Castroville, were business visitors in town Friday morning.

M&M Henry Reus of north side, visited in the Ralph Ahr home Thursday afternoon.

M&M Louis Huckle and children Nora Fay, Betty Ann and Harold of Rt. 9, San Antonio, visited here Saturday evening with M&M George Zuercher and Allen.

M&M Robert Grossenbacher spent Friday and Saturday night at Lytle in the J. B. Pate home, while M&M Pate and daughter attended a convention at Sweetwater.

Henry Echtle of Rt. 9, San Antonio, was a visitor in town one day last week.

Paul Heiman from Strauss Medina Ranch, visited friends here one evening last week.

M&M L. H. Willman and daughters visited in San Antonio Saturday afternoon with M&M Wallace Kneese and daughters. Also visiting there were S-Sgt. and Mrs. Roy Kneese and children of Las Cruces, New Mexico.

Mrs. R. A. Biediger Sr. and children Carroll and Dorothy of here, Mrs. Arthur Biediger, and Miss Ima Leggens of San Antonio, spent the weekend at Abilene. While there, they visited T-Sgt. and Mrs. R. A. Biediger Jr. Sunday. They were accompanied home by T-Sgt. and Mrs. Biediger who visited here until Monday afternoon in the R. A. Biediger Sr., G. T. Moeller and Ronald Moeller homes.

Miss Wiemers Honored On Birthday

Mr. and Mrs. Ben G. Wiemers honored their daughter, Kathleen, with a birthday party Friday evening at the home of Mr. and Mrs. Jimmy Gray. The evening was spent in playing buncos. Prize winners were Peggy Cagle and Kathryn Muennink. Refreshments of ginger ale punch with ice cream cake, and mints were served.

Those present to enjoy the occasion with Kathleen were Frances Gray, Shirley Lindeburg, Evelyn, Dorothy, Sharon, and Linda Wiemers, Kathryn, Mari- anne, and Janice Muennink, Peg- gy Cagle, Carolyn Boehle, Nora Winkler, Doris Moehring and Pam Gray.

Kathleen was the recipient of many lovely gifts.

Natalia Club Meets With Mrs. Spencer

Mrs. Rennie Spencer and Mrs. Dan Stoy entertained the Natalia Home Demonstration Club Thurs- day, April 4, in the home of Mrs. Spencer. Fifteen members and three visitors, were present.

Mrs. Myrtle Seport and Mrs. J. R. Bower were added as new members. Roll call was an- swered by showing some things that could be made as gifts.

Mrs. Smith, council dele- gate, gave an interesting report of the Council meeting.

The Club voted to exhibit flow- ers in the Business Houses, for National H. D. Week, May 5 to 11.

Mr. Woodson, an insurance representative from Natalia, spoke on Social Security. A ques- tion and answer session in which the members participated fol- lowed.

Refreshments were served. Mrs. Rotan Payne will ave the next meeting April 25, at which time Mrs. Estella Strayhorn will be a guest.

Hondo AB Wives Club Sees Julia Kenny's Hat Revue

A hat showing of Julia Kenny's custom-made hats was presented for the monthly coffee and in- troduction of new student of- ficers' wives at the Hondo Air Base Wives Club meeting last Wednesday.

Theme of the program was "Romero and Juliet." Decorations included drift wood made into a hat tree, covered with net and flower with English ivy. A plumbed hat hung on the center tree prong. Archway for the center room was made with two cedar buckets and poles covered with English ivy and pink flow- ers.

Hostess for the event was Mrs. Kenny. Co-hostesses were Mesdames Evelyn Sizemore, Car- man Arquette, Tina Freedman, Jane Johnson and Betty Inglesby.

Mrs. Walter Gunstream and Mrs. Barbara Savell were award- ed first and second prizes res- pectively.

Models included Helen Haynes, Edna Gunstream, Agnes Oefin- ger, Robbie Hedge, Faye Cow- ley and Arthur Killough.

HD Council Lays Plans For Revue

The Medina County Home Demonstration Council laid plans for their dress revue, which will be held May 11 at Castroville, at a meeting held in Hondo Mon- day, April 1.

Mrs. W. C. Whitehead opened the meeting with the THDA creed. The presidents of each club answered roll call with a report of the things their respec- tive clubs had accomplished since the last meeting. Commit- tee reports were also given.

The Devine Home Demon- stration Club gave a demonstration on the many things to do with drift wood. Next council meeting will be May 13 at 2:30 p. m. The council also recognized National Home Demonstration Week, Apr. 28 to May 4.

St. Louis Has Busy Weekday

By Laurel Jean Corder

Wednesday, April 3, was a busy day at St. Louis school. The Choral Club took part in the Modern Music Masters Spring Music Festival at Our Lady of the Lake College at 2:30 p.m.

St. Louis music students who took part in the solo piano au- ditions were Fanny Lee Wurzbach and Katherine Thatcher.

Eight high schools participated. After arriving in Castroville, the seniors were invited to a Mexican dinner at the home of M&M Stanley Haby. The dinner was in honor of their son, Stephen Stanley, a member of the class of '57.

Another event Wednesday found the seventh and eighth grades defeating Moye Military Institute 4-2 in baseball.

J. W. Seigler Returns From Overseas Duty

Sgt. J. W. Seigler Jr., who was formerly one of the com- plement of servicemen who re- activated Hondo Air Base, has returned from a tour of duty in Japan.

He stopped in Hondo to greet friends at the Base and in town before continuing to Del Rio, where he will report for duty at Laughlin AFB on or about April 15.

Seigler says he and his family have been many places, but Hondo seems like home and eventually they hope to come back here to make their home.

Rio Medina News Castroville News

By Mrs. Clarence Huegele

Mrs. Katie Hall of Castroville, spent the weekend with M&M Clarence Huegele and sons.

Protestant Mission Scheduled For HAB

The Protestant Religious Mission for Hondo Air Base will be held at the Base Chapel April 22, 23 and 24. The Rev. George F. Ivey, pastor of The First Methodist Church, Springdale, Ark., will conduct the mission. Services are scheduled each evening at 7:30 and will consist of prayers, music and sermon. A short period of fellowship will follow each evening service.

The Rev. Mr. Ivey is a native of Florida where he was graduated from high school. He holds an A. B. degree from John Brown University, and has done Masters and Doctors work at Florida State University.

During World War II, Ivey served as a chaplain in Southwest Pacific and Asiatic theaters of operation. At the time of his separation, he was Deputy Staff Chaplain of Air Training Command.

In his civilian ministry, the Rev. Mr. Ivey has held pastorates in Louisiana and staff positions at Centenary College of Louisiana and Florida State University.

Chaplain Nelson, Base Chaplain of Hondo Air Base, extends a cordial invitation to all who wish to attend the mission.

GOSPEL MEETING

CHURCH OF CHRIST

April 15-21—Daily 7 a.m. to 8 p.m.

IN THE MEETING

- God's Word will be exalted as the only safe guide from earth to Heaven.
- Christ will be proclaimed as the supreme head and authority of His Church.
- People who attend will be urged to unite in an effort to reproduce the same church that is described in the New Testament, with the identical doctrines and practices prescribed by inspired men and to be satisfied therewith. This, we believe, would bring all believers together upon common ground and make God's Church to be truly "the light of the world."

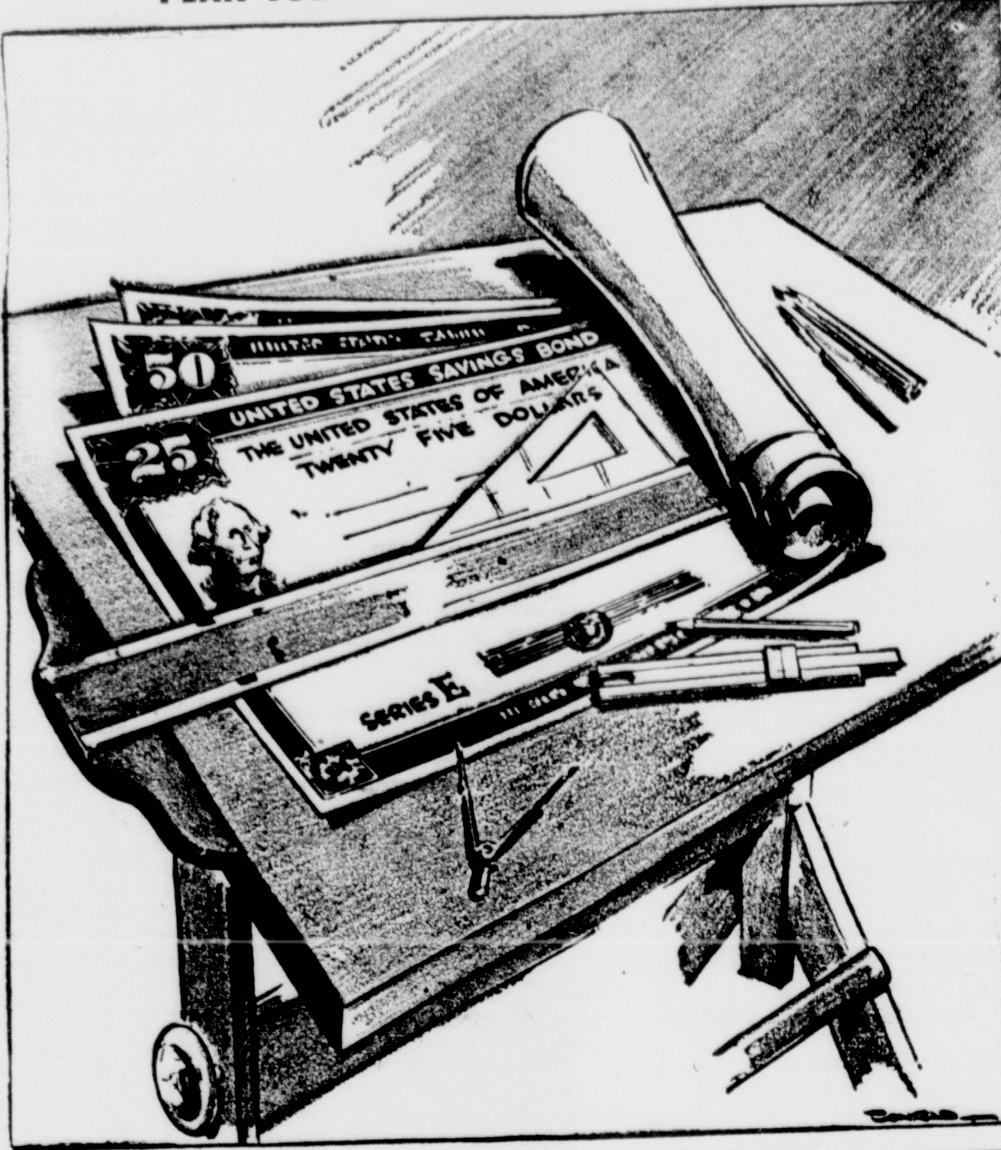

You will enjoy Brother Lemmon's, Sermons
He is a profound student and teacher of the
greatest of all books.

The songs will be led by
Luther Norman, local preacher.

Rev. Luther Norman

Thirty Bids Opened On Vet Lands

AUSTIN, (Spl) — Thirty bids on forfeited land offered for sale Wednesday by the Veterans' Land Board have been accepted, Land Commissioner Earl Rudder said Thursday.

Bids accepted totaled \$190,913.07.

Altogether, 424 bids on \$1,640,628.21 on 51 tracts of land were received. A total of 3907.70 acres were bid on.

Roger E. Davidson of Corpus Christi placed the highest bid, \$8549, on 166 acres in LaSalle County.

Most popular tract of land was 206 acres in Fannin County, which drew 28 bids. High bidder was Thomas G. Moore of Dallas, who offered \$8100.

Land offered for bidding was originally purchased through the Veterans' Land Program, but was later forfeited because buyers were behind in payments.

Devine News

By Mrs. Bill Baker

M&M Bill Baker and Mrs. Loss Caddell motored to Austin Sunday afternoon and were visitors in the homes of Mr. Baker's sisters, M&M C. D. Jacobson and M&M R. L. Stevens.

M&M Floyd Hill and boys Don and Tommie, and M&M L. C. Martin and daughter Helen Bain attended a church luncheon in Pleasanton Sunday.

M&M Bucky Mills of Pleasanton, were Saturday visitors of M&M L. C. Martin.

Mrs. Roy Luce of Montel, was a visitor in the home of her daughter and son-in-law, M&M N. E. Chant, Sunday.

M&M Erwin Schulte and Darryl Schaumburg of San Antonio, M&M J. W. Hall Jr. and children Betty Jo and Nancy of San Marcos, were visitors in the home of M&M J. W. Hall Sunday.

New Fountain Man Celebrates Birthday

(Delayed)

By Mrs. Jack Sharp

On March 29, George Wiemers was honored with a chicken supper at his home at New Fountain. The occasion was his 84th birthday.

On Sunday, March 31, the Wiemers family honored their father again with a Mexican dinner. On this day besides M&M Wiemers, those present were M&M Edwin Wiemers, M&M Wesley Wiemers and children, M&M C. E. Buss of San Antonio and Marvin Wiemers.

In an interview with Mr. Wiemers, it was learned that he was born at home in the immediate vicinity in which he now lives at New Fountain on March 29, 1873. He and his wife, the former Ida

Janie Bischoff, are the parents of five children Edwin, Marvin and Wesley of the New Fountain Community, Milton and Minnie (Mrs. C. E. Buss) of San Antonio.

Wiemers has been a life-time member of the New Fountain Methodist Church, in which he has served as a steward and also as a trustee.

He attended New Fountain school and was a trustee of that school for many years.

In reply to what had been his hobbies, he said horseback riding, and playing 42 and dominoes. Another past time with him has been singing old church hymns (English and German) with his children first, then later with his grandchildren.

Wiemers has one brother, Theo. J. Wiemers, and one sister, "Aunt" Annie Wiemers, both of whom are over 80 and live in the New Fountain Community.

Those who enjoyed the supper with him were M&M Wesley Wiemers and children, Evelyn, Dorothy, Betty and James, and M&M C. E. Buss of San Antonio and Mrs. Wiemers.

Noonan-Pearson

By Mrs. Louis Stein

M&M Alex Tschirhart Jr. of San Antonio, spent the weekend with his parents, M&M Alex Tschirhart Sr.

Visitors with M&M Louis Stein and Leroy Sunday were M&M H. H. Katz, M&M Gerald Katz and son, L. P. Franke, all of San Antonio, Malcom Stein of Castroville, and Mrs. Albert Tschirhart.

Harry and Howard Bohl of LaCoste, visited M&M Raymond Salzman and children Sunday.

M&M Earl Mangold and children were at Castroville Sunday morning.

M&M Roy Tschirhart and children were hosts at an ice cream and cake party Wednesday evening. The occasion was Gerald Tschirhart's birthday and Mary Ann, whose birthday was Saturday. Present were M&M Albert Tschirhart, Mrs. Oscar Tschirhart and children and M&M Louis Stein and Leroy.

Jessie Luna was a Castroville visitor Friday evening.

Mrs. Teresa Luna and family visited M&M Tony Orozco at Devine Friday evening.

Leroy Stein was a visitor in the Richard Stein home Sunday evening at Castroville.

Mrs. Albert Tschirhart visited M&M Otto Naegelin at Castroville Saturday.

M&M Eddie Bendele and Miss Emma Poerner were at Castroville Sunday evening.

Alex Tschirhart visited M&M Albert Tschirhart Friday evening.

Alizia Myers of Castroville, spent Saturday with her classmate, Mary Ann Tschirhart.

Get the BIG THRILL of the Season

Try Springtime in a Buick—
it's the Dream Car to Drive!

Manufacturer's Suggested Price—
for this 2-Door SPECIAL 6-Passenger Sedan

\$2595⁸³

(Including Delivery and Handling Charges and Federal Excise Taxes)

Transportation charges, state and local taxes, if any, accessories and optional equipment, including Dynaflo transmission, radio, heater and white sidewall tires, additional.

See those
Gay New Colors!

New radiant colors that glint and gleam like sunshine on dew. They put Springtime gaiety right into your heart.

YOU'LL FEEL the excitement of Spring the moment you step inside your Buick dealer's showroom.

You'll see gay Spring colors everywhere. Design that's as sparkling-fresh as the season itself. The very newness of Spring in every angle of these brand-new beauties.

Best of all, you'll feel the spirit of Spring in the way these Buicks handle.

Get behind the wheel, touch toe to treadle, and your spirits soar!

There's an instant new response—plus more power and smoothness to match, in Buick's great new brakes. You'll understand immediately what we mean when we say these Buicks are the dream cars of the year to drive.

Come in today — and make the most of the wonderful driving months ahead.

And the prices won't jar your happy mood. It's a wonderful feeling — to find you can afford a Buick.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

we both prefer
GAS
air conditioning!
know why?

"My wife likes the smooth, quiet operation of GAS air conditioning. And she knows that dry, filtered fresh air... free of pollen and dust... uniformly cools every room in the house. There's never a blast of cold air! No hot spots!"

"Now, me, I like the idea of having a choice of a single, compact unit for both summer cooling and winter heating, or a summer air conditioner that can be installed either inside or outside. Best of all, GAS air conditioning equipment is inexpensive to operate... much less than other types. Ask your architect or builder about air conditioning with NATURAL GAS. It's the best!"

O. L. MOSS

City Secretary (3tcl5)

CARD OF THANKS

Ouh heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful services, floral offerings and spiritual bouquets we are deeply grateful.

The family and relatives of

Albert Schott (1tp15)

SEED FOR THOUGHT

If every oak tree in the world were destroyed and one acorn were preserved, from that one acorn there might well be many thousands of oak trees on each continent within the life-time of a man. Moreover, these trees would be exactly the same kind of trees as the one that bore the original acorn. Why? Because, "every seed brings forth after its kind". Now, if there were no church in the world like the original church established upon the day of Pentecost (Acts Ch. 2) and we still had the seed of the Kingdom, the Word of God, could we not plant that seed in the same kind of soil, the hearts of men, and reproduce the original church? If not, why not? This is the aim of the Hondo Church of Christ.

Luther Norman

REMEMBER WHEN

April 13, 1907

Louis Ihnken Jr. was thrown by a young horse last Monday but luckily did not sustain any injuries.

Rudolph Mueller moved his showmaker shop last Tuesday and is now established next to Hotel Chico.

Rothe-Reilly Band will play at Klein's Hall April 20.

Deputy Sheriff J. W. Galbreath is as proud as a boy with a pair of brand new brass-toed boots. D. G. Martin has presented him with two fine-bred young bloodhounds and Jim says he will soon be ready to make it hot for those fugitives who make the mistake of trying to get away.

Closing exercises of Hondo High School will be given at the Courthouse Friday, April 19, at 8 p. m.

Joe Steidle of Dunlay, went to Castroville Sunday to see the "Lone Star Boys".

April 14, 1917

A meeting of the Home-Guards is hereby called.

Three of Medina County's patriotic young men, Ross and Clyde Hollaway and John Mafield, are in South Carolina receiving instructions as to their duties as members of the Marine Corps.

Total rainfall for 1916 was 31.12 inches. Average for past 18 years has been 28.18 inches. John Horger was a Sabinal visitor Wednesday.

County clerk and Mrs. S. A. Jungman went to San Antonio Wednesday.

Nic, John and Jack Hutzler of Dunlay, were visitors to the county capitol this week.

April 9, 1927

That Medina County's oil and gas fields are widely known is evidenced by the coming into the field this week of a Canadian company.

Mrs. Alfred Bader and little son Floyd, left for San Antonio Wednesday morning. While there, the little boy will have an operation performed on his eyes.

A wild animal show is being held in Castroville this week. Our oat farmers are looking for a rain. They claim that unless it rains within a few days, the crop will be almost an entire failure.

A. S. Burger returned to Hondo Monday from Austin, where he had spent the weekend visiting his family.

No interest whatever was taken in the trustees election last Saturday, and it was allowed to go by default.

Devine is ready to start on their new city well.

Temple T. Adams has been appointed as a game warden.

April 9, 1937

Dr. Walter Meyer of San Antonio, spent Sunday with his parents, Dr. and Mrs. H. J. Meyer.

Miss Thelma Lynch of Crystal City, spent the weekend with her aunt, Miss Louise Metzger.

Mrs. Henry Windrow spent Monday and Tuesday in San Antonio with her sister, Miss Hetty Nester.

Wood Cameron was here from Temple last weekend visiting his mother, Mrs. Ed Cameron.

Evelyn Knopp won first in the district piano contest in San Antonio.

Darlene Brucks went to Dunlay Sunday.

Floyd Mechler, a 1923 graduate of Hondo High School, pitched the Rice Owls to a victory over the Baylor Bears last week. The score was 7-0.

M&M Rudolph Posch spent Wednesday in Hondo.

Joseph and John Gross of D'Hanis, were visiting their father, R. Gross, in LaCoste Sunday.

April 11, 1947

The city of Hondo is expanding their water works.

There'll be no more chasing fires and rumaging through burned property in and around Hondo, according to the Hondo City Council.

Charles J. Hitzfelder, deputy sheriff, was appointed fire marshal.

hall by the Hondo City Council this week.

M&M Don Windrow of San Marcos, visited relatives in Hondo this week.

Harold Faseler was in Pearlsall Tuesday on business.

While the Hondo Lions were nosing out Castroville in a pretty wild scoring game which ended up 12-9 and Utopia pulled a small upset on LaCoste 5-3, our county brothers went up Rio Medina way and played a game that showed either terrific hitting or pretty poor pitching for both teams. D'Hanis beat Rio Medina 22-7.

Gradene Rogers went to Medina Lake Sunday.

Maurice Zerr and Marcellus Garrison, who are attending A&M College, spent the weekend with relatives.

Now - down to Brass Tacks - this week we need some push lawn mowers so one bring it by Fly's and trade it in on a new or electric mower. We the Gibson Refrigerator can make you a good since we are no longer them.

Gotta run now - Going to see the Home Show port next week. See you then Bill Fly

M&M Clifford Bohmfalk and Thursday night were M&M Milton Fohn and Al. The Willie Faselier children and grandchildren surprised their Mother on her birthday Sunday by all bringing a covered dish for dinner and all spending the day. Those attending were M&M Alfred Boggus and family, M&M George Heiligman, M&M Aubrey Evans, M&M Alfred Wiemers, M&M Leroy Faselier and boys, Miss Jo Nell Wiemers, Mrs. G. W. Small and family of San Antonio and M&M Jimmie Heiligman and family. Her sisters and families came down in the afternoon. They were M&M Alfred Brucks, M&M Johnnie Britch and Mrs. Ernest Hartman. Other guests were M&M Balzen of Hondo.

TURKEY HUNTERS — Cadet Bob Donohue of New York City, peers through a hole in the windshield of his partner's Golden Hawk. At left is owner and driver of the car, Cadet Don Hickey of Chicago, Ill. Both men are stationed at Hondo Air Base, and say a turkey-hen flew through their windshield between Castro-

Air Base Cadets Bag Turkey With Hawk

By Don Wenzl

Herald Advertising Manager
Late Saturday afternoon, two Hondo Air Base Cadets had steak dinner plans abruptly changed, when a turkey-hen in flight, crashed through the windshield of their Studebaker Golden Hawk. Cadet Bob Donohue, of New York City, passenger in the

Golden Hawk, had his face cut up by flying glass from the impact. When I saw him at the base Sunday afternoon, his forehead and one side of his face were bandaged, covering the ten stitches needed.

Owner and driver of the car was Cadet Don Hickey of Chicago, Illinois.

Hickey said they were driving toward San Antonio on Highway 90, East of Castroville, and were traveling about 60 miles per hour.

Suddenly a turkey-hen took off from the roadside (like the proverbial chicken getting to the other side) and was nailed in flight by the car's windshield as the two hit at 90 degree angles.

As the bird crashed through on the passenger side, Donohue said his first reaction was that of feeling like a blooming idiot covered with flying glass, turkey feathers and blood.

Hickey stopped the car immediately, took a look at Donohue and saw hospital treatment was needed. Hickey turned the car around, planning to go to the Castroville hospital.

"We must have picked up some glass at the crash scene," Hickey said, "because we had a blow-out on the way to Castroville."

Fortunately they snagged a ride with a Uvalde-bound motorist who brought them to the Hondo Air Base dispensary where Donohue was discharged after receiving stitches and face bandages.

"It's funny now," said Donohue when interviewed Sunday evening. "It's not every day you head to a steak dinner and end up with a lapful of battered bloody turkey."

This class at HAB now has its legend — of two boys from the big city who became famous as the hunters who used a hawk.

YANCEY NEWS

TOP POWER makes a GMC TOP VALUE

NEVER before has a light-duty truck packed the tremendous wallop of GMC's 206 horsepower.

It's the most powerful light-duty truck ever built.

It actually has more power than many trucks rated at 4 times its capacity. That means ability to move the toughest loads without grunting—and move them at a time-saving clip.

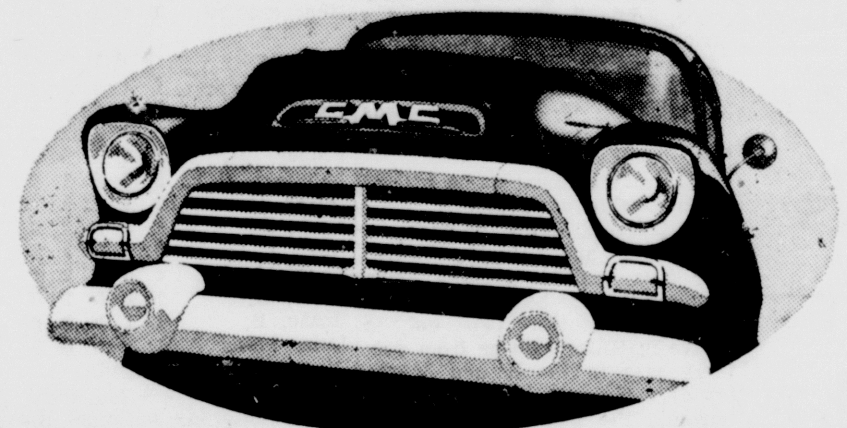

Then look what goes along with it—as standard equipment:

A fast-ratio cruising axle for up to 17% better gas mileage.

Recirculating ball-bearing steering for finger-tip handling. Longer, easier-riding, heavy-duty springs.

Plus boulevard styling and a luxury cab your wife will love to be seen in—boulevard performance to make you proud.

Come in and see why Blue Chip quality makes the dollar proud of its purchasing power. Do it today.

SPEAKING
OF
SPORTS

By George Stewart

Highway 90 league started the '57 season last weekend with a bang. The weekend schedule found Rio Medina at Hondo, LaCoste at Castroville and Uvalde at D'Hanis. Next week, Hondo will play at LaCoste, Castroville at Uvalde, and D'Hanis at Rio Medina. The games are Sunday, April 14, at 3 p. m. A summary of last week's games appears to the right on this page.

The Owls have had a tight schedule so far this year. One game was called off because of high winds this week.

Owls Edge Crystal City

Tuesday night, the Owls took on Crystal City on the home field to win by score of 4 to 3. Alvin Hartman pitched the entire game for the Owls. He gave up three hits, three runs, and two bases on balls. All three runs came in the fourth inning. Hartman pitched six no-hit innings, but got into trouble several times, each time working his way out. Hartman also took highest game batting averages with two of the six hits.

At the bottom of the seventh, the score was 3 to 2, Crystal City. With two on, Billy Neuman hit a blazing grounder down the first base line and into right field to score one run.

With the score 3 and 3, the game went into extra innings. Hartman pitched a no hit inning. In the bottom of the eighth, Hartman got on, then stole second. Travis Sorrell hit and Hartman made third. Thomas Schulte hit a high fly into deep center field, Hartman tagged up and scored the winning run. The score by innings was as follows:

Hondo	000	101	11-4
Crystal City	000	300	00-3

St. Louis
Pitchers
Can Hit

At the end of the first nine games, St. Louis Comet pitchers are showing the way to their teammates.

Justin Jungman is leading in both pitching and hitting. On the mound, he has a 3-0 record; at the plate he boasts a .500 average and leads in runs batted in (20), runs (14), hits (17) and home runs (3). Catcher-pitcher Royce Groff also has a .500 average but missed the first few games.

Francis Lutz is showing considerable power at the plate with a .448 average and leads in doubles with five. Carl Mangold is hitting .414. Gerald Holzhaus .345 and Rodney Tschirhart .333.

The Comets in winning 7 out of 9 games have an amazing .354 team average in batting.

Natalia Typists
Take Two Wins
In District Meet

Mary Lou Harrison and Reyes Morales, Natalia High School Entries in the Typewriting Division sponsored by The Inter-scholastic League, were first and second-place winners in the district meet, which was held at Charlotte, April 6.

Miss Harrison, the first-place winner, and Morales, the second-place winner, will make preparations to leave soon for Kingsville, for further competition in the regional meet.

Last year's first and second-place winners were Miss Janice Simmons and Mrs. Jenny (Lee) Hardeste.

Topics

(Continued From Page One)

A social security representative will be in Hondo Tuesday, at 9 a. m. in the district courtroom, to meet with local citizens and discuss their social security problems.

St. Paul's Lutheran Church will hold a cake sale April 20, beginning at 9 a. m. Women will be located in what was formerly Mary Rene's Dress Shop.

A&M Graduates
To Hold Muster

Medina County A&M College graduates, friends and any other persons interested in the welfare of Texas A&M College, will meet April 21 for the annual "Muster", according to Wayne L. Sigler, chairman of this year's events.

Tickets for the dinner, which will be held at Hondo Air Base Officer's Club, are \$2.25 each. There is no charge for the menu.

Sigler requests anyone wanting to attend to send their name and check or money order to his office at the Hondo National Bank building before Saturday, April 13.

ANVIL
HERALD
SPORTS

Castroville, Rio,
D'Hanis Take Wins

Castroville, D'Hanis and Rio Medina came out of the season's first Highway 90 games last weekend with wins under their belts.

Castroville Game

The Castroville Indians, defending Highway 90 regular season champions, blasted the LaCoste Athletics 26-10 Sunday in the lid-opener for both teams. Highlights of the evening included a total of eight home runs, one triple and three doubles.

The Athletics paraded a total of six pitchers to the mound, but none proved effective against the heavy Castroville hitters. The biggest hero of the afternoon for LaCoste was F. Keller, who batted two home runs and accounted for four RBIs.

The heavy hitting Indians scored in every frame except the fourth and seventh innings, in running up the largest run-count in the past three years. B. Tschirhart, R. Haby and O. Suehs all collected homers for Castroville, while S. Haby garnered a triple and was an outstanding player on defense as he flagged down several hot shots from LaCoste bats. E. Tschirhart was high RBI man for the day with five to his credit.

Castroville's next game will be with Uvalde at Uvalde.

D'Hanis, Extra Innings

D'Hanis and Uvalde battled for four hours and three extra innings Sunday before Joe Langfeld singled with two out, to drive in Hillary Huser from second base in the bottom of the twelfth inning, leaving Uvalde holding the bag by one point, 16-15.

Timely hits, bases on balls and Uvalde errors made a big difference in D'Hanis' ball playing. Uvalde pitchers were wild and ineffective. A total of seven errors on Uvalde's part helped D'Hanis considerably.

A home run in the ninth inning by Uvalde's Roy Young, with two men on base, tied the game up and threw it into extra innings after the Pirates failed to score in the bottom of the ninth frame. Other Red Sox homers came from D. Gibbens, with one on, and Tommy Gibbens, with two men on base. T. Gibbens also had one triple.

D'Hanis left a total of 26 men stranded between first and home plate while Uvalde left 19 men on base. D'Hanis committed three errors during the afternoon. L. Lutz pitched shut-out baseball for three and one-third innings, after relieving J. Rothe, who also pitched three and one-third innings. Starting pitcher for D'Hanis was H. Wolff, who hurled for five and one-third innings before being relieved by Rothe. D. Henderson started on the mound for Uvalde but was relieved in the fourth by J. Henderson, who went for four and two-thirds in.

ings before being relieved by L. Wiebush who went the rest of the way.

Wolff gave up 11 runs on 14 hits and passed out four bases on balls. D. Henderson gave up eight runs on six hits with five bases on ball for Uvalde. Wiebush gave up only one run on two hits but allowed four free passes to first base. Lutz was the winning pitcher and L. Wiebush was credited with the loss.

Rio Rips Hondo

Rio Medina laid the wood to Hondo Saturday night on Barry Field, coming out from under the pile with an 11-5 victory. N. Bippert was credited with the win while Taylor of Hondo gave

up seven runs on five hits to get credit for the defeat. Hondo started off by scoring three runs in the bottom of the first and another in the bottom of the fourth. Rio Medina opened an attack in the top of the fifth, but didn't reach Hondo as only three runs were batted across the plate. Going into the top of the eighth trailing by one point, Rio Medina made a night of it and tallied six big ones before being retired. Another run was added in the top of the ninth.

Bippert went the entire route for Rio Medina, allowing five runs on four hits and giving up only four bases on balls. Rio Medina collected eight hits, and scored 11 runs.

St. Louis
Wins Two

The St. Louis Comets went on the rampage twice, scoring 7 runs in the first inning and 10 runs in the third to defeat a hapless bunch from St. John's Seminary 21-3 last week.

Justin Jungman added another home run to his credit, his second grand-slam homer of the season, and also pitched four hit ball to gain credit for the win.

Brown started for the Seminars and proved quite effective at hitting Comet bats or giving them free passes to first base. Bratha came on in the third when most of the damage had been done and lasted out the game.

The game produced some interesting statistics as the Comets sent 13 men to the plate in the first and 14 men in the third. Steve Haby walked up to home plate six times and yet was never officially at bat as he drew five walks and hit a sacrifice fly. The Comets got 17 hits and 15 bases on balls as they batted around almost six times in six innings.

The scoring subsided somewhat in the later innings as St. Louis' second string took over part of the lineup. In previous years this proved a fatal mistake as the seminarians came from behind to win in the last innings but this time they were left too far behind.

In a return game, played this time in San Antonio, Castroville again defeated St. John's, this time 6 to 1. The game was called after five innings because of a time limit. Francis Lutz gained his third victory of the season as he pitched one hit ball for the

abbreviated game. Jerry Holzhaus led the Comet hitters as he collected two singles in three trips to the plate. He has also been doing a good job at first base in addition to hitting well in early season.

The Comets thus far this year have won seven out of nine games for a respectable .778 percentage mark. They will soon begin seeking their fourth Academic League trophy in a row, but will be expecting some tough competition from St. Mary's of Fredericksburg.

Summer Plans
To Be Made
At Meeting

An open meeting for the public will be held at 7:30 p. m. Monday, April 15, at the Central Elementary auditorium, concerning the Summer Recreation Program.

The officers say enough money is in the treasury to run the program this year without a financial drive.

All who are interested are asked to attend the meeting to express their view on what the program should consist of, for how many hours each day it should be held, for how long, arts and craft suggestions, etc. A director will be hired to run the program. Applicants for the job should attend the meeting to hear what is expected of the director after being hired.
